

Xylitol Mint Flavor Gum Jar 30 Units

EAN: 4250107650530 FABRICANTE: MIRADENT

Chewing 100% xylitol-sweetened gum has been shown to reduce plaque. Heavy dental plaque is a risk factor for the development of cavities in children. The positive effect is achieved if 2 to 3 g of gum, sweetened to 100% with xylitol, are consumed at least 3 times a day after meals.

DESCRIPTION

Sugar-free gum with xylitol

- 100% sweetened with xylitol.
- Without aspartame, sorbitol, lactose.
- Contributes to the mineralization of teeth*.
- Reduces the risk of cavities in children**.
- Reduces plaque**.

*The positive effect is achieved by chewing gum with xylitol for at least 20 minutes after eating or drinking. (Eating foods that contain xylitol instead of sugar helps maintain teeth mineralization.)

**Chewing 100% xylitol-sweetened gum has been shown to reduce plaque. Heavy dental plaque is a risk factor for the development of cavities in children. The positive effect is achieved if 2 to 3 g of gum, sweetened to 100% with xylitol, are consumed at least 3 times a day after meals.
