DESCRIPTION

Green clay with Aloe Vera is a natural product with countless therapeutic properties for the skin that will make it a staple in our beauty routine.

Green clay has been used since time immemorial to heal wounds, scars, bumps and swelling. Thanks to its properties and absorption capacity, it is able to eliminate impurities and toxins while providing minerals and trace elements to the skin.

A versatile product for all skin types, especially oily or acne-prone skin.

This clay is already prepared! Shake the tube and it is ready to use. Ideal for a facial or body mask, anti-pain and cleansing poultices.

Apply it directly to the area you want to treat. You can mix it with essential oils or vegetable oils and let it sit until it dries.

Anti-inflammatory green clay

Soak a gauze with Arnica oil and place it on the area to be treated. Apply the green clay on top and leave it for 20 minutes. Body use: 15-30 min.

Green clay face mask

Soak a gauze pad with a tablespoon of Rose Water and another of Argan oil and spread it over your face. Apply a thin layer of Green Clay with Aloe Vera on top and leave it on for 5 minutes. Facial use: 5-10 min.
