

Alaforce 60 Vegetable Capsules

EAN: 8437011627391 **FABRICANTE:** MUNDO NATURAL

Alaforce is a food supplement that contains alpha lipoic acid (ALA) and vitamin C, recognized for its capacity as a universal antioxidant, thanks to its properties to eliminate free radicals in both aqueous and fatty environments. It stands out for being one of the acids that can cross the barrier and reach the brain, in addition to helping to reduce blood glucose levels. Regarding vitamin C, it supports the normal functioning of the immune system and prevents damage caused by free radicals, thanks to its antioxidant action. It also helps protect cells against oxidative damage and reduce feelings of tiredness and fatigue.
