

Disposable Toilet Wipes 100% Paper 30 Units

EAN: 782126203137

FABRICANTE: NATRACARE

100% plastic-free wipes, certified flushable. Cleansing with a gentle formula of organic witch hazel and aloe vera.

DESCRIPTION

Natracare natural disposable wipes clean and refresh delicate skin. Made from 100% paper with an organic and natural formula. Each wipe contains soothing aloe vera and antibacterial witch hazel to help you feel cleaner.

Plus, they're certified flushable! Natracare Safe to Flush wipes have been independently third party tested to International Water Services Flushability Group (IWSFG) and Water UK specifications. This means they are guaranteed to break down safely after flushing, and also safely biodegrade in both seawater and freshwater.

Ingredients: 100% chlorine-free paper.
