

Ultra Extra Long Compresses With Wings 8 Units

EAN: 782126003201

FABRICANTE: NATRACARE

Natural, absorbent menstrual pads with wings for heavy flow or overnight, with an additional padded layer. Folded compresses.

DESCRIPTION

Ultra Extra Long Pads are natural and absorbent with wings for heavy flow or at night, with an additional cushioning layer. The eco-certified absorbent cellulose core retains menstrual flow to prevent moisture, while the organic cotton top layer allows your skin to breathe. Many gynecologists recommend Natracare for people with sensitive skin.

They do not contain plastic materials, chlorine, rayon, latex, chemical additives, fragrances or dyes.

All Natracare pads are suitable for industrial composting in accordance with EN 13432 and ASTM D640 standards. This means the pads will break down into organic matter and return to the soil once composted, so less waste to worry about.

Ingredients : Organic cotton, organic cellulose pulp, non-GMO corn starch.

Glue : BPA-free medical grade polymer.

Wrapping : Vegetable starch.

Packaging : Recycled cardboard.
