EAN: 8437024477648 FABRICANTE: NATURABIO

Ideal for nourished and soft skin. Made from natural ingredients such as coconut oil and organic vanilla, this lotion not only deeply moisturizes, but also leaves a delicious scent on your skin.

DESCRIPTION

Ingredients of the NaturaBIO Cosmetics Exotic Vanilla & Coconut Organic Body Lotion

Exotic Body Lotion is enriched with:

- Organic coconut oil, known for its intense nutritional properties.
- Organic vanilla, which soothes and comforts the skin.
- It also includes organic aloe vera for deep hydration.
- Shea butter together with organic almond oil, which soften and enrich each application.

Benefits of the Exotic Vanilla & Coconut Body Lotion Bio NaturaBIO Cosmetics

This lotion not only takes care of your skin, but also of the planet. With Uni certification, it is ideal for those looking for products that are respectful of the environment and animals. The bottle made of R-PET underlines our commitment to sustainability. Perfect for those who prefer cruelty-free products and natural cosmetics online.

How to use NaturaBIO Cosmetics Organic Exotic Vanilla & Coconut Body Lotion?

For best results, apply the lotion daily to clean, dry skin using gentle movements, allowing it to fully absorb. Ideal for family use, this lotion can be complemented with **NaturaBIO Cosmetics Exotic Vanilla and Coconut Shower Gel** for a complete aromatic experience and comprehensive care.
