

CO-enzyme Q10 100 mg 60 Capsules

EAN: 8436583690161 FABRICANTE: NATURBITE

Coenzyme Q10 naturbite, also known as ubiquinone, is an antioxidant that slows down aging, also strengthens the immune system, combats fatigue, reduces hypertension and, as a consequence, possible heart problems.

DESCRIPTION

Naturbite coenzyme Q10 is a dietary supplement used to treat diseases of the heart and blood vessels such as congestive heart failure, chest pain (angina), hypertension, and heart problems associated with some drugs used for cancer. It is also used for diabetes, gum disease (either taken by mouth or applied directly to the gums), breast cancer, Huntington's disease, Parkinson's disease, muscular dystrophy, intolerance to exercise, chronic fatigue syndrome (CFS) and Lyme disease; for its **antioxidant** properties.

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241122
