

## Hyaluronic Acid 50mg 60 Capsules

EAN: 8436583690468

FABRICANTE: NATURBITE

*Naturbite hyaluronic acid is a lubricant and moisturizer, which is why it is recommended in the treatment of joint diseases such as rheumatoid arthritis and osteoarthritis. It is also an effective skin moisturizer.*

### DESCRIPTION

**Naturbite hyaluronic acid** is an ideal food supplement for people who want to eliminate facial **wrinkles** and expression lines. Likewise, naturbite hyaluronic acid, due to its moisturizing effect, is recommended in the case of **arthritis** and **osteoarthritis** because it acts as a lubricant for the joints.
