

Tribulus Terrestris 1500mg 60 Capsules

EAN: 8436583690680

FABRICANTE: NATURBITE

Tribulus terrestris naturbite provides energy and improves libido. It is effective for both men and women. It also has beneficial properties with the cardiovascular system and the circulatory system.

DESCRIPTION

Tribulus terrestris naturbite is a food supplement, which has beneficial properties with the **cardiovascular** and circulatory system. Something that is closely related to sexuality since it is a stimulator of androgen receptors in the brain. That is why the tribulus terrestris naturbite improves the **libido** of both men and women.
