

Vitamin E 400 IU (NATURAL) 60 Tablets

EAN: 8436583690338 FABRICANTE: NATURBITE

Naturbite vitamin E is a food supplement. Vitamin E must be incorporated into the body with foods of plant origin, since the body does not synthesize it. Vitamin E protects cells against free radicals, thus helping to maintain heart health.

DESCRIPTION

Naturbite vitamin E is an important food supplement for our body. Vitamin E deficiency is generally characterized by neurological disorders due to poor conduction of nerve impulses. Natural Vitamin E, in the form of D-alpha tocopherol, is the one best absorbed by the body and has twice the potency of synthetic vitamin E. They protect cells against free radicals and scientific studies indicate that they can help maintain the well-being of the heart.
