EAN: 8435110852119 FABRICANTE: NATURLIDER

Acai Naturlider is a food supplement rich in anthocyanidins and vitamin C, making it an excellent antioxidant that protects cells against oxidative damage.

DESCRIPTION

What is Naturlider Acai and what is it used for?

The Açaí is a highly prized fruit that only grows wild in a small area of the Amazon. During centuries, the berries were known and consumed exclusively in the tropical rainforest of South America. Thanks to a study on the diet of the indigenous people, the various properties of this fruit have been revealed. It is a substance rich in anthocyanidins and vitamins. This formula, due to its vitamin C content, contributes to the protection of cells against oxidative damage.

What are the ingredients of Acai Naturlider?

The ingredients of Acai Naturlider per capsule are:

Acai dry extract (*Euterpe oleracea* Mart) 400 mg,
Standardized to 1% polyphenols.
Calcium ascorbate 100 mg. (vitamin C 80%).
