

Actidense 30 Vegetable Capsules

EAN: 8435110851631 FABRICANTE: NATURLIDER

Actidense Naturlider, is an ideal food supplement to enhance the defenses of our immune system.

DESCRIPTION

Actidense Naturlider is a natural product that helps us maintain the proper functioning of our body because it **increases our defences**.

Actidense is a natural food supplement based on plants, minerals and vitamin C, which contributes to the normal functioning of the **immune system**. The combination of plant ingredients and essential nutrients in Actidense prepares the body to deal with unfavorable environmental conditions, and helps strengthen the immune system against external agents.
