Age Splendor facial Naturlider will provide elasticity to your skin and slow down premature skin aging. It will also reduce the wrinkles on your face and you will look prettier.

DESCRIPTION

Naturlider Age Splendor facial is a food supplement, one of its components is collagen, this is what will provide elasticity and flexibility to your skin, and which in turn will reduce facial wrinkles. Apart from collagen, another of its components is hyaluronic acid, the two together will act in the deepest layer of the skin in order to reduce wrinkles. Age splendor facial by Naturlider is a **nutricosmetic**, which acts as a great **antioxidant** due to its composition.

Age Splendor Facial Naturlider helps all aspects involved in skin deterioration from the inside. Contains Verisol® with optimized collagen peptides, important components for healthy skin. Orally administered, Verisol® influences the skin's collagen metabolism directly from within. These bioactive collagen peptides increase skin moisture. It also contains coenzyme Q10, which is a small organic molecule that binds to an enzyme and is essential for its activity. It is present in all living beings and is a necessary nutrient to nourish cells and obtain energy.

What is Naturlider Age Splendor Facial and what is it for?

- Naturlider Age Splendor Facial is a dietary supplement designed to maintain health and increase skin elasticity.
- This product addresses all aspects related to skin aging from the inside, reaching the dermal layer where biological, morphological and cellular changes occur.
- Type II Hydrolyzed Collagen is a key component that contributes to the health of connective tissue, including skin, hair, and nails.
- When administered orally, Verisol (hydrolyzed collagen) directly affects the metabolism of collagen in the skin from within.
