

## ALLERGOLIDER 60 Vcap

EAN: 8435110852003

FABRICANTE: NATURLIDER

*Naturlider Allergolider is indicated to avoid allergies to raw fish, as is the case of people who like to eat sushi, Japanese food based on raw fish. Before Ventolider.*

### DESCRIPTION

**Allergolider from Naturlider**, is a food supplement, which is a combination of plants including perilla, also known as Japanese basil, its cultivation is traditional in China, India, Japan, Korea and other Asian countries. In these Asian countries it was used for poisoning, today in Japan it is used to prepare sushi and thus avoid **allergies to raw fish**.

It also contains vitamins B12, B6 and C that help the functioning of the immune system.
