Colagenlider plus naturlider helps to improve joint mobility, flexibility, maintains normal bone conditions, and normal muscle function, as well as contributes to normal energy metabolism.

DESCRIPTION

What is Colagenlider plus Naturlider and what is it used for?

Colagenlider plus Naturlider is a food supplement that helps improve joint health and preserve mobility.

Colagenlider from Naturlider contains Fortigel, which are collagen peptides that promote joint flexibility. Vitamin D contributes to the normal functioning of the muscles and to maintaining the bones in normal conditions. Magnesium contributes to normal energy metabolism and vitamin C to normal collagen formation.
