Turmeric with pepper Naturlider helps in liver health when it is necessary to stimulate bile production and secretion, it is liver protector. And, on the other hand, it is also indicated in rheumatic diseases that cause pain and inflammation.*

### DESCRIPTION

#### What is Turmeric with pepper from Naturlider and what is it used for?

Turmeric with pepper from Naturlider is a natural food supplement, which contains turmeric and pepper, which act as an excellent natural anti-inflammatory to relieve joint and muscle pain. Helps in liver and biliary health due to its activity on the gallbladder as a choleric and cholagogue. At the level of digestive health, it is an appetite stimulant, and is used in the treatment of peptic ulcers. It serves as support for the healthy maintenance of the immune system and has antioxidant action.

#### What are the ingredients per capsule of Turmeric with pepper Naturlider?

The ingredients per capsule of Naturlider Turmeric with pepper are:

- Bulking agents (microcrystalline cellulose and calcium phosphate dihydrate).
- coating agent (hydroxypropylmethylcellulose).
- Curcumin complex (gamma cyclodextrine, curcumin, water) 43.35 mg.
