

FO-TI NATURLIDER 90 VEGETABLE CAPSULES

EAN: 8435120851324 FABRICANTE: NATURLIDER

Fo-ti is a plant that reduces hair loss and gray hair. It is also important at the cardiovascular level since it lowers cholesterol levels, improving blood pressure.

DESCRIPTION

What is Foti Naturlider and what is it used for?

Naturlider Fo-ti is a natural food supplement. Fo-ti root or Polygonum multiflorum is what is used to restore hair loss and gray hair because it balances the hormonal system in both men and women. Fo-ti is a powerful antioxidant and anti-aging.

Fo-Ti root is extremely rich in zinc and its daily consumption prevents deficiency of this vital mineral in the body.

It helps lower high levels of bad cholesterol in the blood, which improves blood pressure due to its high content of lecithin.

What are the ingredients of Foti Naturlider?

The ingredients of Foti Naturlider per capsule are:

maltodextrin,
fo-ti dry extract (Polygonum multiflorum Thunb., root 125 mg,
coating agent (hydroxypropylmethylcellulose (vegetable capsule))
anti-caking agents (magnesium stearate and silicon dioxide).

What properties does Foti Naturlider have?

Fo-ti is a herbaceous plant of Chinese origin and widely distributed in Japan and Taiwan. It has been traditionally used in Chinese medicine for centuries for its antioxidant effects as a tonic against aging and especially for hair loss.

The most used part of Fo-Ti in Chinese medicine is the root extract, perhaps due, originally, to the anthropomorphic form that the root sometimes takes. One of the most important components of Fo-Ti are antioxidants that protect the body from free radicals by preventing cell oxidation.

How should Foti Naturlider be taken?

FO-TI NATURLIDER 90 VEGETABLE CAPSULES

EAN: 8435120851324 **FABRICANTE:** NATURLIDER
