

## LACTOBACILLUS GASSERI NATURLIDER 30 Vcaps

EAN: 8435110851402    FABRICANTE: NATURLIDER

*Lactobacillus gasseri naturlider, helps well-being in cases of digestive disorders. It is an adjuvant in weight control diets. and, it also helps the normal functioning of the immune system by improving defenses.*

### DESCRIPTION

**Lactobacillus gasseri Naturlider**, is a food supplement that prevents digestive disorders caused by low-quality intestinal flora such as **gas, diarrhoea, bloating, constipation**,... and helps to lose fat by promoting weight loss in general and the contour of our silhouette.

It also contains Zinc that contributes to the normal metabolism of macronutrients, carbohydrates and fatty acids and to the normal functioning of the **immune system**.

The intestinal flora plays a key role, for example in digestion, absorption of some carbohydrates, production of minerals and vitamins and/or elimination of toxins, placing it as the first line of defense against possible diseases.
