*Naturlider Oxi-calm is a food supplement formulated with powerful nutrients that help delay the external signs of aging due to its high antioxidant power. Today we know the important role played by antioxidants, which help delay the aging process, effectively combating the presence of free radicals in our body, largely responsible for cellular aging processes.*

### DESCRIPTION

**Naturlider Oxi-calm** has several benefits: it **protects against oxidizing agents, prevents signs of aging and protects cells against oxidative damage**. Today we know the important role played by antioxidants, which help delay the aging process, effectively combating the presence of free radicals in our body, largely responsible for cellular aging processes.

Thanks to the collaboration and hard and close work between Dr. **Miriam Al Adib Mendiri** based in Mérida, Zafra and Almendralejo (Badajoz), and the Naturlider laboratories in Madrid, they have achieved this exceptional product.

Oxi-calm from naturlider is recommended to take one capsule in the morning and another at night. The expressly recommended daily dose should not be exceeded. In case of pregnancy, lactation, or if you are taking medication or have any medical condition, you should consult to your doctor.
