

*Prebot is a food supplement based on plants, omega 3 and curcumin suitable to improve the intestinal bacterial flora and to prevent digestive problems.*

### DESCRIPTION

#### What is Prebot Naturlider and what is it used for?

Prebot is a food supplement with natural ingredients, which contributes to the maintenance of good digestive health, promotes the growth and activity of beneficial bacteria for the intestine.

#### What are the properties of Prebot Naturlider?

Stimulates the immune system.

It has a laxative effect: The starch it contains causes an increase in fecal mass, due to bacterial growth, which translates into a beneficial effect that will help you go to the bathroom better.

Efficiently absorbs glucose from the intestine.

#### When is it indicated to take Prebot Naturlider?

It is indicated when it is necessary to prevent digestive problems, as a prebiotic and when it is necessary to promote the growth and activity of beneficial bacteria for the intestine.

#### What are the ingredients of Prebot Naturlider?

Bulking agents (maltodextrin and potato starch), Omega 3 powder 21% 1.5 g (fish), Bilberry dry extract (Vaccinium myrtillus, fruit, 1% anthocyanidins) 1.4 g, Curcumin Complex Cavacurmin 800 mg, aroma lemon powder, apple pectin 500 mg, acidity regulator (citric acid), Japanese Acacia dry extract (Sophora japonica buds, 95% quercetin) 315.79 mg and sweetener (sucralose).

#### Does Prebot Naturlider have interactions, side effects or contraindications?

You should consult your doctor in case of pregnancy or lactation.

Due to its content in Bilberry, it should be used with caution in case of a patient with bleeding disorders or being treated with warfarin or anticoagulant drugs.

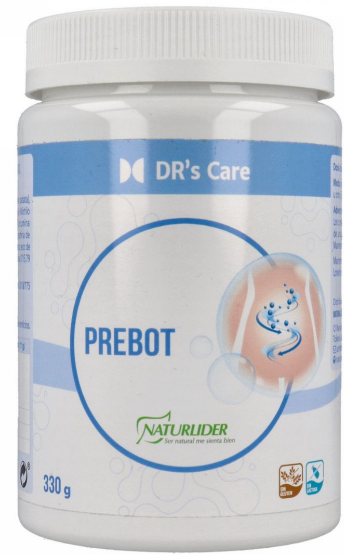

Due to its turmeric content, it is contraindicated in people with obstruction of the bile ducts, cholangitis, kidney stones and other biliary disorders.
