

TOLENZIM 60 Vegetable Capsules

EAN: 8435110851921 **FABRICANTE:** NATURLIDER

Food supplement based on Tolerase G. Tolenzim is an enzyme preparation for celiac consumers who follow a gluten-free diet or for people who, without being celiac, prefer to eat gluten-free foods.

DESCRIPTION

What is Tolenzim Naturlider and what is it used for?

It is a food supplement based on the peptidase enzyme. Contains propyloligopeptidase.

Some people lack enzymes that can fully digest proline-rich peptides, such as gluten. Tolenzim degrades these peptides.

When is it indicated to take Tolenzim Naturlider?

In people with celiac disease who follow a gluten-free diet.
People who, without being celiac, prefer to consume a gluten-free diet.

What is the recommended dose of Tolenzim naturlider?

You can take one to two vegetable capsules daily, before meals that may contain gluten.

What are the ingredients of Tolenzim?

The ingredients for two capsules are:

Tolerase G (prolyl-oligopeptidase enzyme preparation (min. 580,000 PPI/g**)) 690 mg, coating agent (Hydrocpropylmethylcellulose), bulking agent (Potato Starch), purified water* and gelling agent (Gellan Gum*).
