

## Tryptophan Magnesium Vitamin B6 120 Tablets

EAN: 8435110851334    FABRICANTE: NATURLIDER

*Tryptophan, magnesium and vitamin B6 Naturlider are the three ingredients that act synergistically as support in times when we feel "overwhelmed" by our daily tasks, in peaks of stress, when we feel tired, listless, apathetic, exam times as well as in slimming diets, since it reduces the desire to snack between meals.*

### DESCRIPTION

#### What is Tryptophan Magnesium Vitamin B6 Naturlider and what is it for?

Naturlider Tryptophan also contains in its composition: magnesium and vitamin B6:

Tryptophan is an essential amino acid that is obtained from foods such as milk, eggs, nuts,..., but in certain situations we need an extra contribution (tiredness, decay, apathy, lack of concentration, etc.).

Magnesium and vitamin B6 help reduce tiredness and fatigue and contribute to the normal functioning of the nervous system, normal psychological function and normal energy metabolism.

Vitamin B6 also helps regulate hormonal activity and contributes to the normal metabolism of proteins and fat. glycogen, as well as the formation of red blood cells.
