Semi-permanent henna dye for a bold and luminous color

Beautify your hair and enhance your natural colour with Naturtint's semi-permanent henna dye. Designed to respect your hair health, this dye gently covers the first grey hairs and harmonises your tone, giving you an intense and luminous colour for up to 12 washes. Not only does it provide colour, but it also protects your hair and scalp thanks to its ultra-gentle formula with ingredients of natural origin. Its application is quick and easy, and best of all, it is ammonia-free, ensuring a gentle treatment that respects your hair.

Change your look naturally with semi-permanent henna dye

Opt for natural dye and give your hair a semi-permanent colour treatment that respects your hair's health, covers the first grey hairs and provides intense and luminous colours. It's time for your hair to shine in all its splendour! Our semi-permanent dye also includes the exclusive Quinoa Mask treatment, which will prolong the strength, shine and intensity of your colour for much longer. You won't have to worry about adverse effects, as it has been dermatologically tested to ensure maximum safety in use.
