

Reishi Peques Protector (Protect Neo) 150 ml

EAN: 8436036591267 FABRICANTE: NEO

To boost the immune system in children with recurrent infections, especially respiratory infections, and to relieve nervousness, irritability and symptoms of seasonal allergies, dermatitis and eczema.

DESCRIPTION

Reishi Peques Protect is a children's syrup made from medicinal mushrooms (Reishi), Vitamin C and Zinc. Due to its formulation, it is a product indicated for children who need to strengthen their immune system in case of recurrent infections, especially respiratory tract infections. It also helps combat nervousness, irritability and improves symptoms of seasonal allergies, dermatitis and eczema.

Contains agave syrup. Does not cause cavities or glycemic spikes.

Instructions for use

Take 0.5 ml/kg of body weight per day. You can give the entire dose in one dose or divide it into two doses.

Maximum daily dose: 20 ml
