

NPro Leboulardi 60 Vegetable Capsules

EAN: 8436532902611 FABRICANTE: NPRO

NPRO Leboulardi is a food supplement that contains Saccharomyces boulardii, a probiotic yeast that provides benefits to the digestive tract by inhibiting the growth of pathogenic microorganisms and opportunistic parasites.

DESCRIPTION

What is NPro Leboulardi for?

It helps preserve the integrity of the tight junctions of the small intestine by reducing hyperpermeability, which decreases inflammatory cytokine production, stimulates increased levels of Ig A immunoglobulins and promotes immune defense in the intestine.

NPRO Leboulardi includes 250 mg of Saccharomyces boulardii probiotic yeast per capsule with an activity of 5 billion CFU. It contains no carbohydrates or prebiotic fibers, making it suitable for FODMAP, low histamine and SIBO diets.

What is the composition of NPro Leboulardi?

Dose per capsule Saccharomyces boulardii 5 billion CFU 250 mg

What is the recommended daily dose of Leboulardi?

Take 1 to 3 capsules a day, preferably with meals (1 each meal). It can be taken with food or on an empty stomach because it resists intestinal acidity.
