*Brow Serum. Eyebrow Densifier and Brush. Density and nutrition.*

### DESCRIPTION

A powerful formulation of natural active ingredients that, together with the brush, work to replenish and increase the thickness of the eyebrows.

**Brow Serum** is a formulation of natural active ingredients to replenish and increase the thickness of the eyebrows.

With **Orgasol**, **Marine Glycogen** and **Provitamin B5 (Panthenol)** and **Glycerin**, active ingredients to repopulate and increase the lushness of the eyebrows.

### ORGASOL

Derived from Castor Oil. With a high concentration of Omega-6 fatty acids, Vitamin E and Minerals that moisturize and repair. It also stimulates eyebrow growth and provides luminosity.

### MARINE GLYCOGEN

Glycoenergizer Hair. An active ingredient extracted from the membrane of mollusks (one of the most powerful sources of energy in nature) that provides an extra dose of glycogen and supplies energy to the eyebrow hair follicle.

### PROVITAMIN B5 PANTHENOL AND GLYCERIN

It provides moisture to the eyebrows and stimulates their regeneration. It also improves the hair follicle's resistance to mechanical stress.

### BENEFITS

- Increases the density of the eyebrows.
- Increases the thickness of the eyebrows.
