Oquendo is a brand of coffees. Oquendo uses selected beans and the experience of its master roasters to share a wide variety of brands in order to respond to the needs of coffee consumers.

DESCRIPTION

Oquendo began roasting and packaging the first coffee beans in Asturias in 1986. Oquendo launched a Bio brand, with the intention of contributing to promoting respect for the environment.

Oquendo offers us coffee beans, ground coffee, capsules, teas, infusions and chocolates.
