Web: <https://www.organyc-online.com>

Organyc manufactures 100% organic cotton compresses. Organic cotton is grown using methods and materials to reduce the impact on the environment, while preserving the natural balance of many components of the ecosystem.

DESCRIPTION

Organyc is a brand of 100% organic cotton pads. This cotton comes from Africa. A group of African women are the collectors of this organic cotton and they are the beneficiaries of the project.
