

## Orthomol Sport 7 Vials + Tablets

EAN: 8470001603784    FABRICANTE: ORTHOMOL

*Food supplement for athletes that helps in performance, resistance and sports recovery.*

### DESCRIPTION

#### What is Orthomol® Sport?

Orthomol® Sport is a food supplement. Important micronutrients for sports performance.

Orthomol sport contains the micronutrients necessary to improve **physical performance** when carrying out different **sports activities**, including: calcium, magnesium, group B vitamins, L-carnitine, coenzyme Q10 and Omega-3 fatty acids. All of them help normal **muscle function** and contribute to maintaining a correct metabolism for the athlete.

Orthomol sport is included in the 'Cologne List' which guarantees its safety, since the products listed on its list are continuously examined to control the absence of prohormones and nandrolone.

The minerals magnesium and calcium contribute to normal muscle function. B vitamins and different minerals contribute to normal energy metabolism. Vitamin B6 contributes to normal glycogen and protein metabolism. Zinc contributes to normal carbohydrate metabolism. Vitamin C contributes to the normal functioning of the immune system during and after intense physical exercise. Red blood cells transport oxygen to tissues linked to hemoglobin. Iron, vitamin B12 and vitamin B6 contribute to the normal formation of red blood cells. In addition, iron contributes to the normal formation of hemoglobin and normal oxygen transport. Folic acid contributes to normal hematopoiesis. Vitamin C and vitamin E and the trace elements zinc, selenium and copper contribute to the protection of cells against oxidative damage. Calcium is necessary for the maintenance of bones in normal conditions. Vitamin D contributes to the maintenance of bones in normal conditions. Magnesium contributes to electrolyte balance. With L-Carnitine, coenzyme Q10 and omega-3 fatty acids.

#### How to use

Take the contents of one drinkable vial daily along with the tablet and capsule during or after a meal. Shake well before use. It is generally recommended to take the product shortly before or after physical activity. Micronutrients are needed daily; Regular use is recommended.

## Orthomol Sport 7 Vials + Tablets

**EAN:** 8470001603784    **FABRICANTE:** ORTHOMOL

? Orthomol® Sport is free of lactose and gluten.

? Due to the riboflavin (vitamin B2) content, urine may appear yellow.

? The product contains beta-carotene (provitamin A) which has a strong coloring effect. Some stains, for example on clothing, are difficult to remove.

? In isolated cases, slight belching may occur due to the fish oil content (omega-3 fatty acids) in the capsules.

? The gelatin included in this product is of bovine origin and complies with Halal guidelines. Storage Store Orthomol® Sport in a cool, dry place protected from light.

### Available forms of administration

? Drinkable vials with tablet and capsule.
