Country: ES

Web: <https://www.conservaspedroluis.com/>

Pedro Luis makes organic food. Pedro Luis is not a farming company, but knows the good work of all its suppliers. Among the Pedro Luis products, it is worth mentioning artichokes, Swiss chard, and beans.

DESCRIPTION

Pedro Luis is a Spanish company that was born with the illusion of packaging the fruits that their parents collected on their own land. Pedro Luis began canning asparagus and peppers. Pedro Luis started in 1994 with organic production.
