

Fertile Age Intimate Hygiene Gel 300 ml

EAN: 8470001894120 **FABRICANTE:** PHARMA&GO

Suitable for the physiological vaginal pH of women of childbearing age. Contains Tea Tree Oil.

DESCRIPTION

BENEFITS:

Prevents and helps in the treatment of candidiasis. Intimate gel specially formulated for the hygiene and specific daily care of the vulvar and perineal areas to achieve a feeling of cleanliness without irritation or discomfort.

You should use the gel with warm or cold water, since hot water facilitates the proliferation of bacteria and can alter the vaginal pH. Use movements from front to back and not the other way around, this way we will avoid infections caused by fecal bacteria.

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241218
