

Detox + Infusion 20 Bags

EAN: 5412360003716

FABRICANTE: PHYSALIS

Birch supports the elimination of toxins and dandelion participates in cleansing the body.

DESCRIPTION

Organic herbal tea

Dull complexion? Fatigue and lack of dynamism? It is essential to ensure that toxins are eliminated properly. **Physalis Detox+ organic herbal tea** contains birch, nettle and goldenrod, which contribute to the elimination of toxins through the kidneys. Couch grass and dandelion support the detoxification process. Hibiscus helps maintain a good level of energy and vitality. Mild and pleasant flavour.

Physalis Detox+ must be combined with a healthy, balanced diet and sufficient physical exercise. Drink two litres of water a day.

Contains negligible amounts of lipids, saturated fats, carbohydrates, sugar, proteins and salt per 100 g of prepared infusion.
