

Androbiane 60 Capsules

EAN: 3701145600151 FABRICANTE: PILEJE

Androbiane is a food supplement from Pileje specially developed for men's health. Androbiane is a natural product that helps the prostate to function properly, it also contributes to the elimination of toxins through urine and protects cells against oxidative damage.

DESCRIPTION

Androbiane is a plant-based product from **Pileje**, it is composed of nettle root extract which gives it the ability to **eliminate toxins** through urine. Pumpkin seed extract helps the **prostate function** properly and also contains vitamin E and selenium, which provide the ability to **protect cells from oxidative stress**.

Androbiane from Pileje is therefore a product designed for men.

Androbiane Pileje Ingredients:

Bulking agents (microcrystalline cellulose and calcium phosphate), Urtica dioica nettle extract (roots), Cucurbita pepo pumpkin extract (seeds), thickener (cross-linked sodium carboxymethyl cellulose), yeasts cultured in selenium-enriched medium, anti-caking agent (stearate magnesium), Solanum lycopersicum tomato extract titrated in lycopene, vitamin E.
