

Antemig 30 Tablets

EAN: 3401596941161 FABRICANTE: PILEJE

Antemig is from Pileje laboratories, composed of magnesium, coenzyme Q10, feverfew extract and vitamin B6. Antemig is a Pileje food supplement whose magnesium is extracted from the Dead Sea, which means that it has a high concentration of mineral salts.

DESCRIPTION

Antemig Pileje is a food supplement based on marine magnesium, coenzyme Q10, Matricaria extract and vitamin B6.

Antemig Pileje is recommended in case of **fatigue, whether mental or physical**, and for the stimulation of the immune system. The feverfew extract makes Antemig used for the prevention of **migraine**.

Antemig Pileje also contains magnesium, in this case extracted from the Dead Sea, and vitamin B6, which help reduce tiredness and fatigue.

Antemig Pileje Ingredients : Anti-caking agents (calcium phosphate, magnesium carbonate, silicon dioxide, fatty acid mono-di-triglycerides, stearic acid, talc and magnesium stearate), Hypro-ri® Mag (marine and hydrolyzed magnesium oxide of rice proteins), dry extract of feverfew *Tanacetum parthenium* (flower) (carrier: maltodextrin), coenzyme Q10 Kaneka Q10® (ubiquinone), thickeners (microcrystalline cellulose and cross-linked sodium carboxymethylcellulose), coating agent (hydroxypropylmethylcellulose and stearic acid), vitamin B6.
