

Coracol is from Pileje Laboratories and is indicated to maintain normal blood cholesterol levels. Coracol de Pileje is formulated based on monacolin K from red yeast rice and coenzyme Q10.

DESCRIPTION

Coracol is a food supplement from **Pileje** laboratories, indicated for **hypercholesterolemia** or high cholesterol.

Coracol Pileje Ingredients: Stabilizers (calcium phosphates, microcrystalline cellulose and croscarmellose sodium), red yeast rice (*Monascus purpureus*), maltodextrin, emulsifier (mono and diglycerides of fatty acids), coenzyme Q10 (ubiquinone), policosanols extracted from brown rice (*Oriza sativa*), anti-caking agent (magnesium stearate).

Coracol Pileje precautions: Reserved for adults, not recommended for children, adolescents and people sensitive to statins. Not recommended for pregnant and lactating women, patients with liver disease or severe renal insufficiency. Follow-up is required for patients treated against cholesterol or with anticoagulants. In case of muscle pain, do not continue with the coracol supplement. Do not exceed the indicated daily dose. Keep out of the reach of children. Consumption of Grapefruit juice is not recommended during Coracol supplementation. This food supplement cannot substitute for a varied and balanced diet or a healthy lifestyle.
