

Sandalwood Essence 10 ml

EAN: 8435041044492 FABRICANTE: PLANTIS

Antiseptic and balsamic. Essence of Santalum album L. wood.

DESCRIPTION

Consumption recommendation

2 to 3 drops, 3 times a day. The essence should be diluted in a teaspoon of honey (or a sugar cube) which should then be dissolved in a glass of hot water or infusion. Whether taken alone or in combination, it is not advisable to exceed 10 drops a day.
