### DESCRIPTION

Serenity and balance are fundamental to our well-being, and essential oils can play an important role in this. In the case of PRANA, a brand committed to 100% ecological quality, the concept of 'prana' represents the breath of life, that is, breathing, inhaling and exhaling essential vital energy. Through a unique synergy of certified organic essential oils, developed over 30 years of experience, PRANA offers a multifunctional solution.

The essential synergy of PRANA can be used on the body, hair or through aromatherapy. Its application in these areas provides a complete sensory experience and benefits for your overall well-being.

### What can I use Pranarom Bio Essential Synergy for?

Promotes emotional balance and general well-being. Either through atmospheric diffusion or through direct application to the skin.

Atmospheric diffusion creates a harmonious and relaxing environment, allowing you to enjoy the benefits of essential oils in every corner of your home or office. The subtle and natural aromas help balance your emotions and create an environment conducive to well-being.

### What dose should I use of Pranarom Bio Essential Synergy?

Dilute a drop of essential synergy in 10 drops of Pranarôm vegetable oil or a little neutral cleansing cream or gel.

Before applying this synergy to the skin, warm it between your hands, bringing your hands together to cover your nose, and take a long, deep breath. In this way you can take advantage of its relaxing properties.
