

## Bio Lavender Hydrosol 150 ml

EAN: 5420008539831 FABRICANTE: PRANAROM

Lavender hydrosol, obtained by distilling fresh *Lavandula angustifolia* plants, can be used for skin and hair care.

### DESCRIPTION

In skin care: this hydrosol has softening properties, especially suitable for irritated, fragile or sun-exposed skin. Its calming effect can relieve small burns, irritations and erythemas. It is especially useful in the care of the baby's bottom and to treat chafing.

In hair care: lavender hydrosol helps soothe scalp irritations, providing natural relief.

### What is the recommended dose of Pranarom Bio Lavender Hydrosol?

Lavender hydrosol is recommended to be applied twice a day, morning and/or night, for face, body and hair care.

In application with a cotton pad or by spraying it: moisten a cotton pad or spray 20 cm directly on the face, scalp or any other area of the body. Let dry naturally if possible.

### Can the whole family use Pranarom Bio Lavender Hydrosol?

- Suitable from birth.
- Suitable in pregnancy.
- Suitable for lactation.
- Suitable for vegans.
