

Organic Black Cumin Vegetable Oil 50 ml

EAN: 5420008509162 FABRICANTE: PRANAROM

Pranarom BIO black cumin vegetable oil is very suitable for treating skin problems such as acne, eczema and psoriasis or herpes zoster. It is also an anti-aging food supplement.

DESCRIPTION

Pranarom BIO black cumin vegetable oil can be used alone or as a dermo-cosmetic ingredient to treat skin problems such as **acne, eczema, psoriasis** and **herpes zoster**. It is very valuable to treat aging as a **food supplement**, due to its aromatic compounds, including thymoquinone.

Pranarom BIO black cumin vegetable oil is yellowish or greenish and has good absorption. Its strong smell is reminiscent of cumin.
