

Organic Calendula Vegetable Oil 50 ml

EAN: 5420008596759

FABRICANTE: PRANAROM

Pranarom BIO calendula vegetable oil is indicated for skin allergies and hives, eczema, redness and irritation, dry and/or sensitive skin, baby care, mild localized pain, for stings or bites and for sunburn.

DESCRIPTION

The **vegetable oil calendula pranarom BIO** has **anti-inflammatory**, **antiallergic** and **antipruritic** properties. Calendula is ideal for baby care and sensitive skin, to soothe **burning** and **itching**. It is a safe and easy-to-use oil that can act on its own or, in the case of small adult wounds, synergistically with small doses of other essential oils with complementary activity, such as lavender, rockrose, Roman chamomile or German chamomile.

Pranarom BIO calendula vegetable oil is pale or intense yellow in color. It is of medium absorption. Its smell is soft and neutral.
