EAN: 5420008524509

FABRICANTE: PRANAROM

Pranarom BIO tea tree essential oil is a powerful antibacterial, fungicide, parasiticide, antiviral and immune stimulant. Likewise, pranarom's BIO tea tree essential oil is a skin protector for radiotherapy sessions.

DESCRIPTION

Pranarom BIO tea tree essential oil is indicated in the case of mouth conditions such as **canker sores, stomatitis or gingivitis**. Pranarom BIO tea tree essential oil is also used in bronchitis, sinusitis, **rhinitis, otitis, pharyngitis**, in urinary and gynecological infections. Pranarom BIO tea tree essential oil has a little known but very effective use in the **prevention of skin burns due to radiotherapy**.

Pranarom BIO tea tree essential oil is not recommended orally during the first three months of pregnancy, nor in children under six years of age.

BIO Pranarom tea tree essential oil is indicated for **aromatic diffusion** through the use of a **oil essential diffuser**.
