

Patchouli Leaf Bio Essential Oil 10 ml

EAN: 5420008526589

FABRICANTE: PRANAROM

Patchouli pranarom essential oil is a venous, lymphatic and prostatic decongestant

DESCRIPTION

Pranarom patchouli essential oil is highly valued for its effectiveness in case of **heavy legs, varicose veins** and pelvic congestion, for its decongestant properties. Therefore, it is also effective for treating **hemorrhoids**.

Pranarom patchouli essential oil is not recommended orally during the first three months of pregnancy, nor in children under six years of age. Its prolonged use is contraindicated in patients with a history of estrogen-dependent cancer.
