EAN: 5420008596766

FABRICANTE: PRANAROM

Pranarôm BIO calophilic vegetable oil is indicated for varicose veins, lymphatic drainage and heavy legs. In turn, it is used to treat couperose and redness, old or recent scars, wounds and stretch marks.

DESCRIPTION

Pranarôm BIO calophilic vegetable oil has a thick texture, a greenish color and an intense smell of curry, but it is the best ally for circulation and healing. In Madagascar and on other islands where it is produced, it is known as a **skin-regenerating oil**.

Pranarôm BIO calophyll oil is beneficial for **heavy legs** and **varicose veins**. It is also highly valued as a lymphatic drainer. produces a simultaneous effect of reinforcement and reactivation of the circulation. It is also excellent for wrinkles when incorporated into a cosmetic. If a body massage is practiced, it reduces **stretch marks**.
