FABRICANTE: PRANAROM

Pranarom wheat germ vegetable oil is ideal for moisturizing dry or mature skin that may or may not have a dull complexion. It can also be taken in small amounts at breakfast, added to some food. Pranarom wheat germ vegetable oil is effective in case of tiredness and prevents hair loss.

DESCRIPTION

Pranarom wheat germ vegetable oil is rich in vitamin E, hence its **moisturizing** properties for dry or mature skin and its **anti-aging** properties. It is ideal for the face, hair and as it also has food use.

Pranarom wheat germ vegetable oil is an oil with a thick texture and an orange-red color. It is difficult to absorb because it is very viscous. Its smell is strong, reminiscent of bread and cereals.
