

Gassoul Mineral Shampoo 100gr

EAN: 8423645350187 FABRICANTE: RADHE

Clay soil from Morocco with surprisingly astringent properties, cleans and degreases the hair by absorbing unnecessary dirt and grease.

DESCRIPTION

This product is rich in Silicon, Magnesium, Iron, Calcium and Potassium. 100% natural. It provides shine, softness and volume to the hair.

Preparation: Pour the contents into a bowl (not metal) and cover with water, allowing the tablets to dissolve until a homogeneous paste is obtained. Apply the shampoo, massaging the scalp and hair. Leave to rest for a few minutes and rinse thoroughly.

Ingredients: Rhassoul
