

Collagen Forte 720 mg 90 Capsules

EAN: 8425198059319 FABRICANTE: ROBIS

The combination of collagen and hyaluronic acid has proven to be very effective in protecting the joints, as it helps to maintain their flexibility and lubrication, and also favors the preservation of cartilage. By working together, these components have a synergistic effect that can significantly improve joint health.

DESCRIPTION

What is Robis Collagen Forte and what is it for?
