EAN: 8425198081242 FABRICANTE: ROBIS

*Herbal infusions that help digestion, gas and digestive problems in general.*

### DESCRIPTION

#### What is Diges Robis and what is it for?

They are herbal infusions that are beneficial for digestive health, as they help alleviate various problems such as gastritis, ulcers, gas, heartburn, and heavy digestion. Likewise, its regular consumption can contribute to strengthening the digestive system in its entirety, including the stomach, liver, gallbladder and intestine. This can improve the absorption of nutrients from food and provide a sense of well-being after eating.

#### What is the dosage of Diges Robis?

You can take two to three infusions a day.
