

Drain Robis 20 Filter Bags

EAN: 8425198080238 FABRICANTE: ROBIS

The Drena Robis purifying infusion combines different plants, such as orthosiphon, horsetail and corn stigmas, which together act naturally to help eliminate fluids from the body. This infusion is especially recommended as a supplement for weight control diets, since it has a traditional action that facilitates the elimination of fluids retained in the body.

DESCRIPTION
