

## Figu Robis 60 Capsules

EAN: 8425198059548 FABRICANTE: ROBIS

*Figu Robis is made from extracts of different plants that contain natural active ingredients. Activates the body's metabolism, which helps burn fat and contributes to weight loss.*

### DESCRIPTION

#### What is Figu Robis and what is it for?

It is a food supplement. This product helps to lose weight when combined with a healthy diet and exercise. In addition, it can reduce the contour of the waist. Due to its high fiber content, it can decrease appetite and have a mild laxative effect. It also facilitates the elimination of fat from the body, lowering blood glucose and triglyceride levels. It has also been shown to lower LDL cholesterol levels, which is known as the "bad cholesterol."

#### What is the dosage of Figu Robis?

Take 2 capsules a day divided into two doses half an hour before the main meals, with a large glass of water.

#### What are the ingredients of Figu Robis?

- Vegetable Chitosan Powder
