EAN: 8425198059135    FABRICANTE: ROBIS

*Vitamins B1, Niacin, B6 and B12 contribute to normal psychological function. Vitamin B12 helps reduce tiredness and fatigue.*

### DESCRIPTION

#### What is Forzamente Plus from Robis and what is it for?

It is a food supplement in the form of capsules, made with non-genetically modified soy lecithin, glutamic acid, bamboo extract, choline, ginkgo biloba extract, phosphatidylserine and vitamins C, E, B3, B6, B1 and B12. This product focuses on reinforcing mental activity and improving memory.

It is especially recommended for people who experience memory loss problems, decreased intellectual performance or difficulties concentrating. In addition, it is suitable for children, adolescents, students, professionals, housewives, the elderly or any individual who requires mental effort in their day to day.

#### What is the dosage of Forzamente Plus by Robis?

You should take two capsules a day with a sufficient amount of water, one with breakfast and one with lunch.
